Children's Bible Activities for

the Family Bible Lesson – \$14.00

Book II

This book is designed to go with the *Family Bible Lessons*. It has about a hundred pages or more filled with activities, puzzles, poems, and character building stories. There is a section for each lesson with activities for almost every day of the week. (1 year \$54.00, 3 years \$162.00)

The *Family Bible Lessons* are designed with the whole family in mind. Therefore, the *Children's Activity Lessons* have activities for the preschool child, and the older school-age child.

The activity book takes some of the main points of the lesson and **repeats** them by reinforcing them in an activity to help cement it in the child's mind.

Do you remember the hymn: "Sing Them **Over Again** to Me?" Younger children need repetition. For a child from birth to about four years old, repeat, repeat, and repeat!

"Sing them **over again** to me, Wonderful words of life;
Let me more of their beauty see, Wonderful words of life.
Words of life and beauty, Teach me faith and duty;
Beautiful words, wonderful words, Wonderful words of life,
Beautiful words, wonderful words, Wonderful words of life."
